ADVISORY TO SHIPPING No. A-02-2018

January 12, 2018

TO : All Shipping Agents, Owners, and Operators

SUBJECT: Reassignment of Booking Slots of Neopanamax Vessels that Transit Prior to their Booked Date

Effective January 15, 2018, booking slots of booked Neopanamax vessels that transit prior to their reserved date may be reassigned to other interested Neopanamax vessels, provided that the booked vessel transits more than two days prior to its reserved transit date.

These slots will be announced as early as practical, generally on the day that the slot becomes available, and will be offered through a special competition in the same manner as when the slots become available due to cancellations or changes in booking dates.

This change is intended to increase the availability of slots for Neopanamax vessels.

We look forward to continue serving you in the future.
