

AUTORIDAD DEL CANAL DE PANAMÁ
EXECUTIVE VICE PRESIDENCY FOR OPERATIONS

3654-A (OPXI)
V. 4-2-2015

ADVISORY TO SHIPPING No. A-06-2017

February 17, 2017

TO : All Shipping Agents, Owners, and Operators

SUBJECT: New Public Relations Services Tariff

The Panama Canal Authority (ACP), while reviewing Official Marine Tariffs, identified the increasing cost and complexities when providing the required resources for escort and transportation services as described under items 1160.0000 of the Official Marine Tariff. Therefore, effective March 1, 2017, all services under items 1160.0000 of the Official Marine Tariff will be superseded by tariff item No. 2096.0000, as follows:

Escort services: Applicable tariff when providing an ACP employee escort for visitors during their pre-approved stay in restricted areas of the Panama Canal.

- Tariff item No. 2096.0300, Escort Service for a maximum of 10 visitors, up to 4 hours.....B/.350.00
- Tariff item No. 2096.0320, Escort Service for a maximum of 10 visitors; up to 8 hours.....B/.580.00

Transportation services: Applicable tariff for motor vehicle transportation services for visitors, crewmembers and/or passengers within restricted areas of the Panama Canal, up to a maximum capacity of 12 passengers per vehicle.

- Tariff item No. 2096.0510, Transportation Service for up to 4 hours.....B/.120.00
- Tariff item No. 2096.0520, Transportation Service for up to 8 hours.....B/.230.00

Orientation guide services: Consists of one ACP guide to provide Panama Canal briefings.

- 2096.0410 Orientation Guide Service per hour or fraction.....B/.100.00

Note: A surcharge of 25% will be assessed to each hour or fraction when providing these services during non-regular working hours.

For further details on these and other tariffs please go to: <http://micanaldepanama.com/wp-content/uploads/2017/01/2096-0000-17.pdf>

Should you have additional questions, please contact: customerservice@pancanal.com

We do appreciate your business and trust these modifications result in an improved service during your future transits through the Panama Canal.
