

AUTORIDAD DEL CANAL DE PANAMÁ
EXECUTIVE VICE PRESIDENCY FOR OPERATIONS

3654-A (OPXI)
V. 4-2-2015

ADVISORY TO SHIPPING No. A-28-2017

August 23, 2017

TO : All Shipping Agents, Owners, and Operators
SUBJECT: Designated Bunkering Areas in Panama Canal Waters

The Panama Canal has designated specific anchorages as bunkering areas on the Atlantic and Pacific terminus of the Canal in order to facilitate monitoring of these activities.

Atlantic Terminal:

- Inside the breakwater, the Merchant Vessel Inner anchorages "A", "B", "D", and the Dangerous Cargo Anchorage (Explosive Anchorage)
- Bunkering at the Atlantic Outer Anchorages is permitted only during good weather conditions.

Pacific Terminal:

- Dangerous Cargo Anchorage (Explosive Anchorage).

Canal Authorities must approve any bunkering operation in areas or locations other than the approved areas listed above prior to scheduling or engaging in the activity.
