

Panama Canal Authority  
Vice Presidency for Operations

## Advisory To Shipping No. A-17-2024

June 7, 2024

**TO:** All Shipping Agents, Owners, and Operators  
**SUBJECT:** Scheduled maintenance at Pedro Miguel Locks

Beginning at 0400 hours on Tuesday, July 9, 2024, until 0400 hours on Friday, July 19, 2024 (10 Days), the center wall culvert of Pedro Miguel Locks will be out of service for scheduled maintenance on cylindrical and rising stem valves. Lockages will take additional time during the maintenance period.

No decrease in capacity is expected, therefore, the limitation in the number of restricted vessels and the number of slots per direction for Supers and Regulars in the Panamax Locks will remain unchanged. Also, the Just-In-Time (JIT) transit slots available for supers and regular vessels transiting without restrictions, will remain in one (1) per direction.

For inquiries regarding these rules, please contact our Shipping Customer Service Management office at: [operationservices@pancanal.com](mailto:operationservices@pancanal.com).
