Vice Presidency for Operations

Advisory To Shipping No. A-05-2024

February 14, 2024

TO: All Shipping Agents, Owners, and Operators
SUBJECT: Modification to the Transit Reservation (Booking) System.

Given the temporary measures taken by the Panama Canal Authority (ACP) due to the current drought, and its impact on clients due to the reduction in number of daily transits, the Customer Ranking monthly calculation and updates will be frozen until further notice.

The Customer Ranking published on February 1, 2024, will remain in effect and unchanged until the Panama Canal Authority can gradually increase the daily transit capacity and declares normal operational conditions.

For inquiries, please contact our Customer Service Office at customerservice@pancanal.com.
