

Advisory To Shipping No. A-35-2024

September 18, 2024

TO: All Shipping Agents, Owners, and Operators
SUBJECT: Additional Sealed Bid for the Long-Term Slot Allocation (LoTSA) Methodology

The Panama Canal Authority (ACP) has analyzed the offering after the sealed bid auction for LNG/LPG performed on September 11, 2024, in which 9 packages were unallocated, and has considered several customer recommendations regarding the northbound transits for LNG/LPG through the LoTSA methodology.

Therefore, the ACP announces an additional auction to be published on October 9, 2024, for LNG/LPG, as described in the following table:

Market Segment	Package Number	Number of Packages	Slots per Package	Direction per Package*	Auction Opening Date
LNG/LPG	LOT-L-06	9	12	Northbound or Southbound	October 9, 2024

*All 12 slots per package shall be in the same direction.

The terms and conditions and other information published in Advisory A-25-2024 remain unchanged.
